We are located in the historic Southern Pacific Railroad Depot next to the Amtrak rail-stop in West Berkeley and next door to our original location. New mixed use apartment buildings have been built on most of our block. We offer **3 hours free validation at the 4th Street Parking Lot** (formerly known as the Spenger's Lot), with purchase of \$4 or more.

From I-80, take the University Avenue exit going towards the Berkeley hills. This will put you on to the University Avenue overpass. The next intersection will be 6th Street. Make a right on 6th Street. Go one block until you get to Addison Street. Make a right on Addison Street. Go two blocks to 4th Street. For the small parking lot just south of our building make a right into the last driveway, before you reach the 3rd Street railroad tracks. For virtually unlimited parking spaces, make a right on 4th Street and continue through two stop signs. Turn left into the second driveway for the 4th Street Parking Lot. We offer **3 hours free validation** with purchase of \$4 or more.

From Downtown Berkeley, go west on University Avenue. After you cross 6th Street veer to the right alongside the University Avenue overpass (do not get onto the overpass). There is free parking in the lot just south of our building, with entrances on Addison Street or 4th Street. Metered parking is available under the overpass. We offer **3 hours free validation** with purchase of \$4 or more at the 4th Street Parking Lot on the other side of University Avenue.
